Pairs well with **Riesling, Sweeter Rosè, Chardonnay**

White chocolate, which is made with cocoa butter, sugar, and milk, has a sweet, buttery flavor with notes of honey and cream. Sweet white and rosè wines help cleanse the palate of the rich flavors from white chocolate, as does as sparkling spumante. White wines can really work great with white chocolate. Riesling or a buttery Chardonnay will complement the vanilla, caramel and honey flavors in the chocolate.
